Frequently Asked Questions

1. How much does camp cost?

For a Town of Wallkill resident Camp is:

\$185 per session for the first child

\$165 per session for any additional children

For a non-resident camp is:

\$195 per session for the first child

\$175 per session for any additional children

2. If I only use one week of a session do I get a reduced rate?

NO, we do not offer any pro-rating. Parents may choose any sessions they like. There is no requirement to sign up for consecutive sessions.

3. How old do you have to be to attend camp?

We begin taking campers who are entering kindergarten up to age 14. 15 year olds are encouraged to apply for our Counselor-in-Training program.

4. Is lunch provided?

We will be providing FREE breakfast and lunch through the Pine Bush Central School District this year. Breakfast and lunch will be delivered to the site daily and distributed to campers who want it. A breakfast and lunch menu will be sent out ahead of time so families know what options their children have.

5. How does the camp day run?

For the campers in kindergarten through second grade a variety of activities are provided. These children will travel with the same group throughout the day.

For campers entering 3rd grade and up a schedule will be created based on the activities chosen during registration. They will be given the opportunity to change this schedule at the beginning of each session. Attendance is taken at each activity to account for every camper.

Campers can sign up for any combination of before/after camp for any session. No pro-rating is available.

11. When is the registration deadline?

The registration is a rolling process there is no set day to register. However, trips and other activities can fill up so we recommend registering as soon as possible.

Registering for trips and sessions ahead of time does not mean that you have to pay early. Payment is not due until the Friday before each session begins.

12. How does swimming work?

Swimming is one of our most popular activities. The Circleville beachfront provides a great environment for water activities. All children are swim tested based on their abilities. The results of this test determine what area of depth the children are allowed to enter in the water. Upon entering the beach the children are supervised by both camp staff and a team of certified lifeguards.

13. Can my child bring toys/ electronics?

Yes, Camp is about having fun. We make sure to supply anything needed for our activities. We have found that many kids also like to bring items from home for use throughout the day. However, we are not responsible for any items lost/stolen during the camp day. When in doubt leave it home.
