

Align your brand with the Boys & Girls Club to earn trust with current and potential customers who will recognize your company as one that cares for and invests in the future of children and our community.

GREAT FUTURES START HERE.

Together we can improve the lives of youth and strengthen our community!

The Town of Wallkill Boys & Girls Club provides a safe, affordable place for kids during critical out-of-school time. We offer life-changing programs that help kids in Northern Orange and Sullivan counties achieve academic success and become good community citizens who live healthy lifestyles.

During the school year, the Clubs provide before and after school programming in nine locations. On average we serve nearly 700 registered members and an additional 3,000 children through community engagement. In the midst of the COVID-19 pandemic, and for the past two summers we held safe, socially distant, and much needed summer camp for nearly 600 campers at our Town of Wallkill Summer Day Camp.

> Our Backpacks for Hope Drive supplied 200 stuffed backpacks to help kids succeed academically.

The Giving Tree, our holiday giving program, gave away gifts for 500 local youth last December.

Because more than 70% of our registered Club kids live at, or below poverty and 50% live in single parent/ non-traditional households, we served more than

10,500 meals and 21,000 healthy snacks in 2019-2020.
