

Align your brand with the Boys & Girls Club to earn trust with current and potential customers who will recognize your company as one that cares for and invests in the future of children and our community.

GREAT FUTURES START HERE.

Together we can improve the lives of youth and strengthen our community!

The Town of Wallkill Boys & Girls Club provides a safe, affordable place for kids during critical out-of-school time. We offer life-changing programs that help kids in Northern Orange and Sullivan counties achieve academic success and become good community citizens who live healthy lifestyles.

During the school year, the Clubs provide after school programming in nine locations daily, serving more than 235 Club kids each day and two before school programs serving 62 children each day.

In 2019-2020 we served 687 registered members and an additional 3,000 children through community engagement. This past summer, in the midst of the COVID-19 pandemic, we held a safe, socially distant, and much needed summer camp for 179 campers at our Town of Wallkill Summer Day Camp.

> Our Backpacks for Hope Drive supplied 200 stuffed backpacks to help kids succeed academically.

The Giving Tree, our holiday giving program, gave away gifts for 500 local youth last December.

Because more than 70% of our registered Club kids live at, or below poverty and 50% live in single parent/ non-traditional households, we served more than

10,500 meals and **21,000** healthy snacks in 2019-2020.

WHEN YOU INVEST IN THE **CLUB, YOU PROVIDE...**

- A safe place, particularly for kids and teens who may be left alone after school
- A daily dose of fun to keep kids coming back
- Life-enhancing programs that help kids explore new ideas and possibilities
- Caring professionals who build supportive relationships with kids
- Hope and opportunity to build selfconfidence and brighter futures

Your investment allows the Club to keep its doors open to every child and teen, ages 4-18, who chooses to attend. It costs about \$1,400 a year to fund one member in Club, plus modest additional summer camp fees to participate in our Summer Day Camps. Financial aid is available so that no one is ever turned away.

Over 70% of our Club members come from families living at or below the poverty line.

The Club is open Monday-Friday to provide afterschool activities and summer programs. Nutritious snacks are served after school, as well as lunch, Monday-Friday at our Summer Day Camps.
