Welcome to the Town of Wallkill Boys & Girls Club!

We are excited to have you join as a MEMBER of the Club! We look forward to a positive, fun experience with you as a Club member. As The Positive Place for Kids, our Club has expectations every member must follow to ensure a safe and enjoyable experience for all members. There may be other rules for specific programs or situations as needed.

Our Mission

*To enable all young people, especially those who need us most,
to reach their full potential as productive, caring, responsible citizens.*

What is the Boys & Girls Club?

The Town of Wallkill Boys & Girls Club (TOWBGC) is a nonprofit organization serving school-aged children in Northern Orange and Sullivan Counties. Founded in 1993, the agency provides before and after school programming as well as summer day camps to local youth. TOWBGC is a member in good standing with the Boys & Girls Club of America.

We offer tested, proven and nationally recognized programs in five Core Program Areas that closely align with the developmental needs of all young people:

- Character & Leadership Development
- Health & Life Skills
- The Arts
- Sports, Fitness & Recreation
- Education & Career Development

We also undertake specialized initiatives that cut across more than one program area and/or address the unique needs of special populations.

Our Goals

Our goal is to offer safe, fun and supervised care for all school-aged children. Our programs are designed to encourage Club members to realize a wide variety of positive outcomes. Our three priority outcome areas are:

Academic Success

Good Character & Citizenship

Healthy Lifestyles

Our youth development strategy is designed to build self-esteem and allow our youth to live full, satisfying and productive lives. It is important that all programs and activities promote these efforts to their fullest potential.

- A sense of **Belonging** – young people know when they are accepted because they feel welcomed.
- A sense of **Usefulness** – young people get a feeling of satisfaction when doing something of value for others.
- A sense of **Influence** – young people feel valued when their opinions are heard.
- A sense of **Competence** - young people feel proud and confident when they acquire new skills. They get a sense of pride when they accomplish a job well done.

Our Youth Development Staff

Our staff is carefully selected for their experience and interests. They are screened and trained to ensure the safest, highest quality programs for our members. All staff meet the standards set forth by the NYS Office of Children and Family Services (OCFS). All staff are fingerprinted and MUST be cleared by the NYS Statewide Central Register Clearance System. They all receive annual national criminal background checks, pursuant to Boys & Girls Clubs of America (BGCA) standards. All staff are monitored and evaluated on a monthly basis to ensure the safety of our Club members. All Program Sites have at least one staff member who is CPR and First Aid-certified on duty at all times.

Transportation – The Clubhouse at Circleville Park

Bus transportation is provided to Club members that attend Circleville Elementary School and Pakanasink Elementary School. They receive bus transportation TO Circleville Elementary School at the end of before school programming and FROM the Circleville Elementary School to the Clubhouse at the beginning of after school programming. All Club members **MUST** have a signed permission slip on file, with the school, and with us, to accommodate this transportation. Transportation is **NOT** available at any other Club sites.

Boys & Girls Club Staff are not allowed to transport members outside Club hours or scheduled activities. Only authorized staff are allowed to transport members in case of emergency. For field trips, the Club will provide chartered bus or van transportation. A parent/guardian **MUST** sign a permission slip before a child is allowed to attend a field trip.

Program Hours

Our programs follow the school district calendar in which they are located. All after school programs run from the end of the school day until 6:00pm. Start times may vary depending on location. All Club members must either be picked up by a parent/guardian by 6:00pm or board the late bus, if available in the child's school district. For locations where walking is an option, Club members must have parental permission in order to walk home from program. Parents/Guardian must give the program permission in writing so that it may be noted in their file.

Our before school programs begin at 6:30am and end at the start of the school day. Before school programs are available in the elementary schools in the Pine Bush Central School District. A parent/guardian must drop off all Club members before the children begin transitioning to the school day.

Pick Up/Drop Off Policy

To protect our Club members, only the people listed on your registration form will be authorized to pick up your child(ren) at the end of the day.

Authorized adults **MUST** present photo identification to the TOWBGC staff in order to sign-out a Club member. For all afternoon programs, please note you will be asked to physically sign-out your child(ren) each day.

For children enrolled in the Orange County before school programs an adult must physically sign-in a Club member each day.

The parent/guardian **MUST** notify the administrative office, via phone at (845) 342-8833, to add/remove additional authorized adults to the registration form **BEFORE** the new authorized adult is allowed to pick up the child(ren) from program. Paperwork will then be updated and program staff notified of the change.

If your child(ren) take a school district approved late bus home it is your responsibility to see that they are met at the bus stop location.

Late Pick Up Policy

While we understand that from time to time you may be late picking up your child please understand our program is designed to close at 6:00pm daily. Club members must be picked up promptly by the end of program. Please make sure you are familiar with your program's method and policy regarding pick-up time and location, as it varies by school. If parents/guardians are late picking up their child(ren) they will receive a reminder warning from the Program Leader. If you are late on more than 3 occasions, a late service fee of \$25 (per child) will be added to your next bill and a \$25 fee (per child) will be added for every subsequent occurrence.

Inclement Weather/Emergency Closure Policy

In the event of a school closing, early dismissal or cancellation of after school activities by the School District, Boys & Girls Clubs programs will also be closed or canceled. *

In the event of a two-hour delay, before-school program will open two hours late.

In the event of a program closure, TOWBGC will post a message on our website and our Facebook page.

Daily Routine

Each day our Club members will take part in a variety of activities. Each After School program will begin every afternoon with a healthy snack followed by our national Power Hour program, then move into a variety of programs from outside activities, arts and crafts, games and community service projects. Our Before School programs will operate a modified version of this schedule, but will also include a healthy snack (if needed) and time for academic assistance.

If the weather permits, our staff will plan to be outside as often as possible.

Boys & Girls Clubs of America has over 40 national programs that our staff will use to make sure your child's time with us is not only safe and fun but purposeful as well. For up to date information about your child(ren)'s program please visit our website www.bgcorange.org and view the programs monthly calendar. Calendars are also available at each program location.

In the event of a more serious injury, our programs will coordinate with local ambulance and fire rescue organizations. All Program Sites have at least one staff member who is CPR and First Aid-certified on duty at all times.
